I hereby certify that this correspondence is being deposited with the U.S. Postal Service as First Class Mail in an envelope addressed to: Commissioner for Patents, Washington, D.C., on the date indicated below:

February 18, 2003
Date

Adrienne White

Dear Commissioner:

In compliance with the duty of disclosure under 37 C.F.R. §1.56, it is respectfully requested that this Information Disclosure Statement be entered and the reference listed on attached Form PTO-1449 be considered by the Examiner and made of record.

In accordance with 37 C.F.R. § 1.98(d), a copy of the listed reference is enclosed.

The document listed on the attached Form PTO-1449 is from the litigation initiated October 1, 2002 between Cummins-Allison, Corp. and Glory Ltd., Glory Shoji Co. Ltd., and Glory (U.S.A.), Inc., in the United States District Court for the Northern District of Illinois, Civil Action No. 02C-7008.

In accordance with 37 C.F.R. §§ 1.97(g),(h), this Sixth Information Disclosure Statement is not to be construed as a representation that a search has been made, and is not to be construed to be an admission that the information disclosed is, or is considered to be, prior art with respect to the present application or material to patentability as defined in 37 C.F.R. §§ 1.56.

The present Information Disclosure statement is being filed before the mailing of a first office action on the merits in the Request for Continued Examination (RCE) application and hence, is believed to be timely in accordance with 37 C.F.R. § 1.97(b). Accordingly, no fees are believed to be due in connection with the filing of this Information Disclosure Statement. However, should any fees be deemed necessary (except payment of the issue fee), the Commissioner is authorized to charge any deficiency or to credit any over payment to Jenkins & Gilchrist Account No. 10-0447/47171-00267USC1.

Respectfully submitted,

February 18, 2003
